Thank you for choosing Jamaa Birth Village for your pregnancy & childbirth journey. This is a detailed guide for sliding scale doula services. The sliding scale is useful to make sure every woman that wants a doula has a doula and to make sure financial obligation is not a barrier to quality care.

Jamaa Birth Village operates on a sliding scale, with a minimum deposit of $150. The deposit is required to save the date on your doula's calendar. By using this sliding scale, families can feel confident that they will have the power to pay their doula for their services without creating financial challenges.

The suggested final price for basic doula care is based on your income. The final payment is due by the 37th week unless prior arrangements have been made. Barter situations will be considered on a case-by-case basis. We accept payment by cash, check, PayPal and credit card.

Notify us of your income bracket by calling 314-643-7703 or by email at info@jamaabirthvillage.org and we'll apply the appropriate amount to your services.

Income & Fee:

Below $35,000: $360
